SKIN REJUVENATION

Reveal healthier, more radiant skin with advanced rejuvenation treatments that address the visible signs of aging and environmental damage. By stimulating collagen production and improving overall skin quality, these treatments help restore a smoother texture, more even tone, and youthful looking complexion with minimal downtime.

FACIALS

Restore your skin's natural glow with our customized facial treatments, designed to cleanse, nourish, and rejuvenate. Every facial begins with a professional skin assessment to ensure your treatment is tailored to your unique concerns, whether you're looking to improve hydration, brighten dull skin, calm sensitivity, or simply maintain a healthy complexion.

WHAT IS FREEZE PEN

At Adore Beauté, we offer professional skin lesion removal services tailored to safely and effectively eliminate benign skin growths, such as moles and skin tags. Utilizing our state-of-the-art, non-invasive devices, we can help restore your skin's natural beauty, resulting in a smoother and clearer complexion without the need for scalpels or stitches. Whether you're concerned about unsightly moles, skin tags, or other benign lesions, our skilled team is ready to provide you with safe and effective treatment options.

NO ANESTHESIA.

NO DOWNTIME.

NO SCARS.

COSMETIC INJECTABLES

DERMAL FILLER - ½ SYRINGE

\$375

Dermal fillers are gel-like substances injected beneath the skin to restore lost volume, smooth out lines, and enhance facial contours.

DERMAL FILLER - FULL SYRINGE

\$650

Dermal fillers are gel-like substances injected beneath the skin to restore lost volume, smooth out lines, and enhance facial contours.

NEUROMODULATORS (BOTOX) - ONE UNIT

\$11

A neuromodulator treatment is a swift, minimally invasive procedure that utilizes purified botulinum toxin injections, commonly referred to as Botox. This treatment relaxes specific muscles, smooths out expression lines, and helps prevent the formation of new wrinkles.

SKIN BOOSTER - FULL SYRINGE

\$650

A Skin Booster Treatment is a non-surgical cosmetic procedure that employs micro-injections of hyaluronic acid to deeply hydrate the skin. This treatment enhances elasticity and restores a natural glow without adding facial volume.

SCULPTRA - ONE VIAL

\$800

Sculptra is a biostimulatory injectable composed of poly-L-lactic acid (PLLA). It works to repair deep skin structures, enhance natural collagen production, and smooth out wrinkles. Recommended Treatment: **Three** sessions are typically recommended, with results duration: Effects can last up to two years.
